Questions Submitted by: MLA, James Aylward

As the expanded Strength Program has now been operating for 2 years, I would like to receive the following information broken down month by month.

1. Number of voluntary admissions to the Residential Care Program?
2. Number of court imposed admissions to the Residential Care Program?
3. Number of clients who completed the 18 weeks of the Residential Care Program?
4. For those individuals that did not complete the 18 week Residential Care Program, please list the length of stay prior to those individuals that left the program?
5. Number of clients who successfully completed the 18 week Residential Care Program and continue to be substance free?
6. Number of clients that have relapsed following the completion of the 18 week Residential Care Program?
7. Number of clients that have re-entered the program after unsuccessfully completing the 18 week Residential Care Program or after having relapsed?
8. Occupancy percentage of the 12 designated beds for the Residential Care Program?
