Small Business Tax Cut

A Small Business Tax Cut will **save small businesses up to \$2,500 a year**. The tax rate will decrease by 0.5 per cent this year – the first decrease of a multi-year commitment to strengthen our competitive advantage.

Investment Grant

A new Small Business Investment Grant will **give companies a 15% rebate** on business investments up to \$25,000. This will result in a savings of up to \$3,750 for Island companies to help them reinvest and grow.

Benefits for Islanders

The Government of Prince Edward Island is investing in programs that provide direct benefits to Island residents and businesses. Here are some of the new and expanded benefits that may be available to you as a resident of Prince Edward Island.

ISLAND ADVANTAGE Help with tuition

FREE TUITION FOR MORE THAN 1,000 ISLANDERS

New grants for lower-income students attending one of our province's three public post-secondary schools mean tuition will be completely covered by federal and provincial funding.

PEI RESIDENTS STUDYING ON PEI

All Island students will receive more money in bursaries starting this fall. This could mean \$4,400 to \$8,800 in bursaries, depending on your program of study.

NO APPLICATION IS REQUIRED

To receive this money, PEI residents need to enroll at UPEI, Holland College, Maritime Christian College or College de l'Île. This bursary is only for first-time students.

LOW AND MIDDLE-INCOME STUDENTS

Low and middle-income Islanders can access needs-based support on top of the other bursaries. When you apply for a student loan, we will assess your income and eligibility for support.

Electricity Tax Relief

The first block of residential electricity will now be **rebated equivalent to the provincial portion of the HST** on electricity bills each month. This means an average of \$120 a year in savings per household.

A rebate equivalent to the provincial portion of HST will also be available for **firewood, pellets and propane** through a point-of-sale credit or rebate.
