Walk-in Clinic in Souris

In response to a question taken as noted by the Member from Souris-Elmira yesterday, I wish to provide the following clarification.

- There are three family physicians practicing in Souris: Dr. Tom Bronaugh, Dr. Paul Berrow and now Dr. Adriana Verdejo.
- These physicians run family practices in Souris, provide in-hospital and on-call coverage at Souris Hospital, and support Coleville Manor.
- Souris also has two nurse practitioners who provide primary care services. Both often have same-day or next day appointments available.
- The walk-in clinic service is offered with the support of locum physicians, who are also providing on-call hospital coverage.
- On those rare occasions when a clinic is cancelled it is because the physician was called into the hospital. OR A LOCUM COULD NOT BE CONFIRMED FOR THE CLINIC.
- Health PEI has a number of locum physicians who regularly provide service in Souris.
