Responses to questions taken as notice  
December 8, 2016  
Minister Heath MacDonald

Last Friday the member from Kensington Malpeque had questions on who provided legal advice on withholding the Bell/Aliant contract, and on retroactive loan disclosure. I will table those responses now.

Loan Disclosure – Internal legal staff at the Department of Justice and Public Safety provided the legal advice on retroactive loan disclosure.

Bell contract – Decision to withhold the Bell/Aliant phone services contract was made based on discussions with the FOIPP office and with staff at the Department of Justice and public safety.
