**Sidney MacEwen gives notice that he will ask the Minister responsible for Transportation, Infrastructure, and Energy the following question:**

my

Please provide the rules and regulations surrounding speed bump installation in residential communities.

**Date Submitted: May 13, 2016**

**Sidney MacEwen gives notice that he will ask the Minister responsible for Transportation, Infrastructure, and Energy the following question:**

Speed bumps are a key part in traffic control plans. Has the Department reviewed any traffic control solutions in the Mermaid River Meadows residential subdivision? If so, could a report please be provided. If not, would the Department review traffic control solutions in this community and consider the installation of speed bumps as a control measure.
