

MacEwen

13.05.16

Sidney MacEwen gives notice that he will ask the Minister responsible for Communities, Land and Environment the following question:

Please provide the rules and regulations surrounding compost spreading on agricultural land, including:

- a) Compost composition;
- b) Any known components in the compost material that could impact crop production, both short-term and long-term; and
- c) Requirements for notification by the leasee to the lessor of compost applications on the lessor's property.
