

**MOTION**

**No. 46**

**Prince Edward Island Infrastructure Summit**

Brad Trivers gives notice that tomorrow he will move, seconded by Steven Myers, the following Motion:

**WHEREAS** quality public infrastructure is essential to the sustainable growth of the economy and communities;

**AND WHEREAS** it is widely recognized that investments in infrastructure have a positive impact on the economy and the environment;

**AND WHEREAS** the new federal government has indicated its intention to increase the level of expenditure on the nation's infrastructure;

**AND WHEREAS** there are possible long-term infrastructure benefits for the province in areas such as transportation, energy, water and sewer, trade, transit and renewable energy;

**AND WHEREAS** it would be desirable for Prince Edward Island to have a clear and focused plan ready for the province to realize the maximum benefit from these increased federal investments in infrastructure as soon as possible;

**AND WHEREAS** having broad, collaborative input from Island communities, industries and environmental groups into such a plan would also be desirable to help identify key areas of priorities;

**THEREFORE BE IT RESOLVED** that this Legislative Assembly urge the province to convene a Prince Edward Island Infrastructure Summit at the earliest opportunity to bring together representatives from Island municipalities and communities, as well as key stakeholders in the economic and environmental sectors;

**THEREFORE BE IT FURTHER RESOLVED** that this Prince Edward Island Infrastructure Summit be charged with a specific mandate to collaboratively identify priorities and projects that can be the basis of a multi-year provincial infrastructure plan to leverage maximum benefit from new federal investments.
