JOURNAL OF THE LEGISLATIVE ASSEMBLY

James Aylward (Stratford-Kinlock) moved, seconded by Matthew MacKay (Kensington-Malpeque), the following Motion (No. 101):

WHEREAS school based Public Health Nurses work with public health, education and community partners to address the health concerns of students within their family, school and community;

AND WHEREAS Public Health Nurses can play a critical role in assessment, support, counselling and referral of students to needed services;

AND WHEREAS Public Health Nurses can offer a wide array of supports in health education; skill development; school-based health or wellness clinics; healthy relationships, self-esteem, communication, social skills, anger management and parental education;

AND WHEREAS besides playing a critical role in school-wide health promotion they can assist other sectors in the assessment, surveillance, and data analysis to identify priority strengths and needs in school populations;

AND WHEREAS there are numerous areas where Public Health Nurses in schools can provide the impetus and expertise in providing holistic and healthy environments with comprehensive action plans for our student population;

THEREFORE BE IT RESOLVED that this Legislative Assembly call upon government to establish a public health nurse presence in our Island schools;

THEREFORE BE IT FURTHER RESOLVED that the Department of Education and the Department of Health work with the Public Health Nurse Association in the establishment a public health framework by which these nurses can work within our educational institutions.
