ALLOWANCES COMMISSION

November 24, 2000

Hon. Mildred Dover, M.L.A.  
Speaker of the Legislative Assembly  
P.O. Box 2000  
Charlottetown, PE C1A 7N8

Dear Madam Speaker:

An Act to Amend the Legislative Assembly Act (1994) established an Indemnities and Allowances Commission which is required to report annually to the Speaker on or before the first day of December.

According to the Legislation, the Commission is to 'review and determine' the remuneration and benefits to be paid to the Members of the Legislative Assembly, Ministers, the Speaker, Deputy Speaker, the Leader of the Opposition, Government House Leader, Opposition House Leader, Government Whip, Opposition Whip and the Leader of the Third Party.

The Commission has completed its review of the remuneration and benefits as defined in Section 46 of the Legislative Assembly Act.

I am pleased to transmit to you with this letter the 2000 Report which includes the Commission's decisions and the rationale for these decisions.

Respectfully Submitted,

Colin Younker, Chairman

Keith Boswell, Commissioner

Michael Schurman, Commissioner

## INTRODUCTION

---

A 1994 amendment to the Legislative Assembly Act established the Indemnities and Allowances Commission. This Commission, according to the legislation, is to "determine the remuneration and benefits to be paid to the Members of the Legislative Assembly, Ministers, the Speaker, Deputy Speaker, the Leader of the Opposition, Government House Leader, Opposition House Leader, Government Whip, Opposition Whip, and the Leader of the Third Party.

Remuneration and benefits are defined by the legislation as "salaries, indemnities, allowances, and pensions."

The Legislation requires "the Commission, annually and at such other times as the Speaker may request, (to) carry out a review of remuneration and allowances ... and on or before the first day of December of each year (to) deliver a report to the Speaker which shall be final and binding."

The Commission presented its sixth report to the Speaker in the fall of 1999. That report contained a 2% increase in Members' indemnities and allowances.

In preparation for the 2000 report to the Speaker, the Commission placed advertisements in local newspapers in September inviting the general public to present its views on the remunerations of the members. The Commission has received no written submissions from the public in response to the advertisements placed.

## DEFINITIONS

---

In the sections that follow, "indemnities" refers to payments made to all Members of the Legislative Assembly to carry out their basic responsibilities as M.L.A. s. These payments are taxable.

"Salaries" refers to payments that are made to Members of Executive Council, the Speaker, Deputy Speaker, Leader of the Opposition, Leader of the Third Party, and those other Members who hold special positions in the Legislative Assembly, or on Executive Council Committees. These payments are in addition to payments received by Members in the form of indemnities and are also taxable

"Allowance" refers to additional monies paid to Members, such as M.L.A. expense allowances and the mileage allowances. These payments are non-taxable.

## MEMBERS INDEMNITIES AND ALLOWANCES

Table 1 indicates the current indemnities and tax free allowances for M.L.A.s in each of the provinces.

In 1994 the Legislative and Executive Compensation Act reduced the indemnities and allowances of M.L.A.s by 7.5%. The Commission's decision in 1997 to increase the indemnities and allowances by 4% resulted in an indemnity of \$31,870 and an allowance of \$9,659. These amounts were just under the amounts of \$32,000 and \$9,700 that were in effect before the 1994 rollback which was effective April 1, 1994. The Commission's decision in 1998 was to increase the indemnity and allowance by 2% to \$32,505 for the indemnity and \$9,850 for the allowance. The Commission's decision for 1999 was to increase the indemnity and allowance by 2% to \$33,155 for the indemnity and to \$10,050. The Commission's decision this year is to increase the indemnities, allowances and salaries by 2 1/2% which is within the range of other Provinces and is consistent with the Civil Service and Teacher wage agreements in the Province.

At the present time M.L.A.s on P.E.I are the lowest paid in the country. On a comparison basis with the other nine provinces a P.E.I. M.L.A.'s compensation is 75% of the average compensation and ranges between 62% and 89% of compensation on an individual comparison basis with the other nine provinces.

This percent has stayed consistent over the past seven years. For it's next report the Commission will review this comparison in relation to compensation for employment in P.E.I. as compared to the other provinces.

In 1994 a major change was made to the Pension Plan for M.L.A.'s. The Commission in previous years has made some changes to the 1994 plan and during the next year will be reviewing the pension plan for the members.

The Commission's decisions apply only to elected members of the Legislative Assembly. The references in the decisions to the Leader of the Third Party would only apply if a Third Party Leader was elected.

The Commission has fixed the salary for the Speaker at a level which is 75% of a Cabinet Minister's salary. The Deputy Speaker's salary remains at a level which is 50% of the Speaker's salary.
