**REPORT OF THE INDEMNITIES AND
ALLOWANCES COMMISSION
DECEMBER, 2001**

November 27, 2001

Hon. Mildred Dover, M.L.A.
Speaker of the Legislative Assembly
P.O. Box 2000
Charlottetown, PE C1A 7N8

Dear Madam Speaker:

An Act to Amend the Legislative Assembly Act (1994) established an Indemnities and Allowances Commission which is required to report annually to the Speaker on or before the first day of December.

According to the Legislation, the Commission is to 'review and determine' the remuneration and benefits to be paid to the Members of the Legislative Assembly, Ministers, the Speaker, Deputy Speaker, the Leader of the Opposition, Government House Leader, Opposition House Leader, Government Whip, Opposition Whip and the Leader of the Third Party.

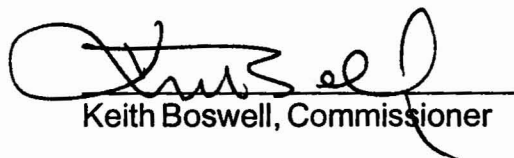

The Commission has completed its review of the remuneration and benefits as defined in Section 46 of the Legislative Assembly Act.

I am pleased to transmit to you with this letter the 2001 Report which includes the Commission's decisions and the rationale for these decisions.

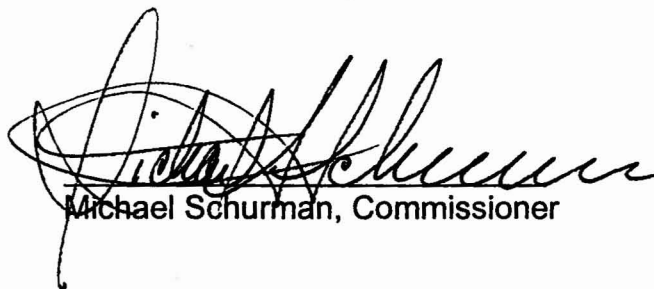

Respectfully Submitted,

Colin Younker, Chairman

Keith Boswell, Commissioner

Michael Schurman, Commissioner

INTRODUCTION

A 1994 amendment to the Legislative Assembly Act established the Indemnities and Allowances Commission. This Commission, according to the legislation, is to “determine the remuneration and benefits to be paid to the Members of the Legislative Assembly, Ministers, the Speaker, Deputy Speaker, the Leader of the Opposition, Government House Leader, Opposition House Leader, Government Whip, Opposition Whip, and the Leader of the Third Party.

Remuneration and benefits are defined by the legislation as “salaries, indemnities, allowances, and pensions.”

The Legislation requires “the Commission, annually and at such other times as the Speaker may request, (to) carry out a review of remuneration and allowances ... and on or before the first day of December of each year (to) deliver a report to the Speaker which shall be final and binding.”

The Commission presented its seventh report to the Speaker in the fall of 2000. That report contained a 2½% increase in Members’ indemnities and allowances.

In preparation for the 2001 report to the Speaker, the Commission placed advertisements in local newspapers in September inviting the general public to present its views on the remunerations of the members.

DEFINITIONS

In the sections that follow, "indemnities" refers to payments made to all Members of the Legislative Assembly to carry out their basic responsibilities as M.L.A. s. These payments are taxable.

"Salaries" refers to payments that are made to Members of Executive Council, the Speaker, Deputy Speaker, Leader of the Opposition, Leader of the Third Party, and those other Members who hold special positions in the Legislative Assembly, or on Executive Council Committees. These payments are in addition to payments received by Members in the form of indemnities and are also taxable.

"Allowance" refers to additional monies paid to Members, such as M.L.A. expense allowances and the mileage allowances. These payments are non-taxable.

MEMBERS INDEMNITIES AND ALLOWANCES

Table 1 indicates the current indemnities and tax free allowances for M.L.A.s in each of the provinces.

Note: The P.E.I. compensation used is the recommended amount effective April 1, 2002.

The commission has compared public sector compensation for deputy ministers, clerks of the legislative assemblies, nurses and teachers in P.E.I. with their counterparts in other jurisdictions. The percentage of average based on using the same jurisdictions as the above MLA comparison is as follows:

Deputy Ministers	- between 68% and 71%
Teachers	- between 82% and 85%
Nurses	- between 90% and 93%
Clerks	- 63%

Pension Plan

The Commission is tabling with this report the combined plan text for new pension plan introduced in 1994 and the supplemental plan introduced in 1996.

This plan is indexed at a rate of CPI to 8% during the period when the member is on an active or deferred basis. When receiving benefits the indexation is CPI - 2%.

The previous pension plan which was closed in 1994 is indexed at a rate of CPI - 2% both during the active/deferred basis and benefit period. To ease the administrative burden and to make the accruing benefit rate comparable for both plans the Commission is recommending that the previous pension plan be amended retroactively to July 1, 1994 to match the current plan, that is CPI to 8% while deferred and CPI - 2% while receiving benefits.

Third Party Leader

The Commission's decisions apply only to elected members of the Legislative Assembly, therefore any reference to Third Party Leader would only apply upon election.

Speaker, Deputy Speaker, and Government House Leader

The Commission, as in previous years, has fixed the salary for the Speaker at a level which is 75% of a Cabinet Minister's salary. The Deputy Speaker's salary remains at a level of 50% of the Speaker's salary. The salary for the Government House Leader has been increased to reflect that the position does not allow for remuneration for Executive Council Committee appointment although the House Leader is currently appointed to Executive Council Committee.

Current Year Increase

The Commission is recommending a 3.25% increase for indemnities and allowances. This increase is in line with the recent settlements reached with certain public service employee groups.
